

# The menu

---

Celebrate your day with a celebration of flavors. Whatever you can imagine, our food and beverage experts are happy to create a menu that reflects your wishes. Make your special day as tasty as it is beautiful.

The Hotel at Kirkwood Center offers a lavish group menu-tasting each winter for its wedding clients. The tasting is complimentary for the bride and groom and up to four guests. You will have the opportunity to taste a large variety of entrées, hors d'oeuvres, desserts, and wedding cakes. Your event coordinator will notify you of the next available group tasting.

# Hors d'oeuvres

---

Your choice of hors d'oeuvres helps set the stage for your reception. Your guests will be amazed by our creative and distinctive choices; mix and match to create the perfect combination. The number of hors d'oeuvres you need depends upon the length of your cocktail hour, the time of day, and if a meal also will be served following the cocktail hour. Talk to your event coordinator about your options.

# Beverage planning

---

You can elect to have an open bar, a limited selection of wine and beer, or a cash bar. Your event coordinator will advise you on the costs and inclusions for each.

There are many variables that will impact your alcohol budget. That said, and very generally, here are a few assumptions:

- Anticipate two drinks per guest, per hour.  
This average tapers slightly as the evening progresses.
- Women are primarily wine drinkers.

If you plan to host a champagne toast, assume one bottle of champagne can fill 5 – 10 glasses depending on the size of the pour.
